75 Years Ago W. C. T. U. Holds Meeting—Well attended, and in every way interesting and profitable, was the W. C. T. U. meeting held at Mrs. Howard Koontz's home, Thursday evening, November 23rd. Promptly at 8 o'clock the meeting opened with singing "America." Miss Mary Snader at the piano, and Mrs. Clayton Myers leading. Prayer followed. The topic for the meeting was "Child Welfare." Texts of scripture relating to the care and training of children were given by most of the ladies present. Mrs. Frank Myers, who is Child Welfare Superintendent for the County, read a very comprehensive article, on the child, in the factory, on the farm, in the street, in the tenement sections of the great cities, as newspaper carriers and as helpers in the support of the family, and especially emphasized the fact that if we are to have strong, healthy men and women for tomorrow, the children of today must be properly nourished, clothed, housed and not too heavy burdens put upon them in childhood. *Democratic Advocate*, November 30, 1922.

100 Years Ago Westminster—Thanksgiving day was observed in this city by the general cessation of business and by religious services in most of the churches. The union service at the Methodist Protestant Church was attended by a large congregation. The sermon on the occasion was delivered by the Rev. C. S. Slagle, pastor of St. Paul's Reformed Church. *American Sentinel*, November 23 1897.
