

Help us transform Kimmey's Kitchen for upcoming rentals, events, and programs!

The Historical Society's Kitchen Renovation Project total cost is \$156,500. We raised \$81,500 at 2026's Gift for the Cause at the Legacy Gala for Phase 1 of the project! Phase 1 includes stabilizing and replacing the kitchen floor, installing new walls, and plumbing and electrical upgrades. Work on phase 1 is slated to begin at the end of 2026. Phase 2, to cost \$75,000, will finish the kitchen with new cabinetry, a workspace, and appliances like an icemaker and warming drawers. We need your help! HSCC would like to complete the project before the summer of 2027! All givers will be included on a special sign in the kitchen recognizing their generosity. Gifts of \$10,000 or more will receive special recognition in the space.
